Dear Webby

On behalf of HULA we would just like to say thank you to you all at Barrel Bikers MCC for your kind donation of £100.00. Without your help and generous donation we would not be able to help so many animals. We are especially grateful at this time of year when we think that all our animals deserve a good Christmas. We do not receive government funding so every donation we receive is important to us.

The money we receive helps our domestic animals such as Holly who is a 10 year old Patterdale Terrier who is looking for a loving home with an experienced owner. She would prefer to live with adults only and the only dog in the home without cats. Holly will need training, but can be left for 3-4 hours if given plenty of exercise before. We hope Holly finds her forever home soon.

All our animals including our permanent residents receive the food they need, bedding and of course love and support. We also make sure all our animals are neutered, micro chipped, vaccinated, vet checked and wormed.

Animals come to us in various ways and our aims are to relieve any suffering and distress by providing refuge and care to unwanted domestic animals so that suitable adopters can be found.

HULA has been successfully re-homing animals since it was formed 42 years ago and with the donations from kind people such as you we can continue our valuable and much needed hard work.

Thank you again for your kind donations and if you would like to visit at any time, do not hesitate to contact us.

Yours sincerely
